Advanced Notification of Treatment is required

1. The Department has received and reviewed your application to harvest aquatic plants in McDill Pond.
2. Your permit application meets the minimum requirements by law and a permit is being issued with the following conditions:
3. The permit holder shall report any unusual circumstances resulting from the harvesting program and annual tallies of aquatic plant material removed.
4. All harvesting shall not disturb the bottom sediments of the lake. The mechanism of removal cannot excavate bed material.
5. Harvested individual riparian owner areas AND all channels shall not exceed 30 feet in width.
6. Harvesting is restricted to the permitted area - as described on the map of the permit. GPS guidance is required.
7. This office must be contacted five business days before harvesting begins for the season.
8. This office must be contacted two business days before harvesting in areas to remove floating algae (aka skimming areas) begins. Approval is needed for each operation.
9. Disposal of harvested plants shall be in upland areas as described on the permit application. No wetlands shall be filled; deposition along shoreline is not permitted. ALL FRAGMENTS must be removed from the water where practicable.
10. Any alteration from the plan must be approved by the Department before work begins.
11. This permit expires on October 1, 2022 provided no significant changes to the plan. To extend this permit for five years, an update to the current plan is needed.
12. No harvesting permitted in chemically treated areas within 24-hours of treatment.

Water Resources Biologist	Date Signed	Date Mailed

Please Note:

If you believe that you have a right to challenge this decision, you should know that Wisconsin statutes and administrative rules establish time periods within which requests to review Department decisions must be filed. For judicial review of a decision pursuant to ss. 227.52 and 227.53, Wis. Stats., you have 30 days after the decision is mailed or otherwise served by the Department, to file your petition with the appropriate circuit court and serve the petition on the Department. Such a petition for judicial review shall name the Department of Natural Resources as the respondent. This notice is provided pursuant to s. 227.48(2), Wis. Stats. To request a contested case hearing pursuant to s. 227.42, Wis. Stats., you have 30 days after the decision is mailed, or otherwise served by the Department, to serve a petition for hearing on the Secretary of the Department of Natural Resources. The filing of a request for a contested case hearing is not a prerequisite for judicial review and does not extend the 30-day period for filing a petition for judicial review.
